

BIKE THE BLUE

What is BIKE THE BLUE?

Getting More Public Safety Officials On Bikes Unifying community with a social need, while improving community relationships, Bike The Blue supports Public Safety Bike Patrol Units (Police, Fire, & EMS).

Bike The Blue will accomplish the mission by helping First Responders engage our communities, businesses and actively socialize with families.

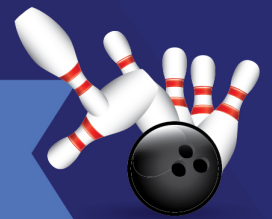

How will my funds help?

Your funds will help Bike The Blue to support Public Safety Bike Patrol Units (Police, Fire, & EMS) and their outreach efforts to engage communities, businesses and families. Specifically, your donation may go towards purchasing bicycles, safety equipment, and other necessary gear for first responders to use while on patrol. Additionally, your funds may be used to provide training programs and education for public safety officials to improve their ability to interact with community members while on bike patrol. Ultimately, your donation will help Bike The Blue to enhance community safety, improve community relationships, and promote healthy lifestyles for first responders.
